Experience

Graphic Designer
Self-Employed (2017 - Present)
Creates unique designs that go on T-shirts, coffee mugs, etc.
Made thousands of sales across dozens of products.

E-Commerce Associate (Seasonal)
Avito Products (October 2020 - March 2021)
Prepared designs for engraving using LightBurn software.
Utilized the AutoHotKey scripting language for Windows to
automate many repetitive computer tasks. Optimized
LightBurn settings which increased production speed by 15%.

Software Engineering Intern
Union Pacific Railroad (May 2018 - August 2018)
Implemented a new interface for viewing shipment data using
AngularJS and Spring. Collaborated with team to define and
accomplish goals according to business needs. Presented to
managers, directors, and VPs.

Projects

Historical Baby Names
Tableau Dashboard
Visualizes historical baby name data from the Social Security
Administration. Shows state-by-state change in baby name
usage from 1910 - 2017.
